May 19, 2018

Dear Members of the School Committee,

It is with many emotions that I submit my resignation from the positions of Middle Level English and Social Studies Teacher and Athletic Director at Islesboro Central School, effective after the conclusion of the 2017/2018 academic year. My time at Islesboro has been filled with experiences that have pushed me to improve myself as an educator and as a person. I have had the pleasure of working with many outstanding colleagues, and interacting with students who have truly changed the way I see the world. While it is hard to imagine saying goodbye to some of these people who have meant so much to me over the past three years, I feel that the opportunity to achieve a long standing dream cannot be passed up. It has long been my goal to serve as administrator and while I didn't foresee it happening so soon, I am excited see what comes next for me.

As my time at ICS comes to a close, I am comforted to know that the relationships, lessons, and experiences that have defined the past three years, will never be forgotten. Thank you for the opportunity to work in a such a special place with some incredible people. ICS will forever hold a place in my heart.

Sincerely,

Colden L. Golann
