

SCHOOL DISTRICT GOALS AND OBJECTIVES

The Board recognizes its responsibility to set goals for the efficient operation of the school unit. In discharging this responsibility, the Board will strive to ensure that the resources of the unit are directed toward meeting the educational needs of each eligible student.

The Board will develop annual goals based on input solicited from a variety of sources. These goals will be shared with the community, the staff, and the students. The administration shall develop appropriate objectives designed to achieve the stated priorities.

The Board will regularly evaluate progress toward meeting the goals and will adopt appropriate policies designed to facilitate their accomplishment.

PLEASE NOTE MSMA sample policies and other resource materials do not necessarily reflect official Association policy. They are not intended for verbatim replication. Sample policies should be used as a starting point for a board's policy development on specific topics. Rarely does one board's policy serve exactly to address the concerns and needs of all other school units. MSMA recommends a careful analysis of the need and purpose of any policy and a thorough consideration of the application and suitability to the individual school system.

MSMA sample policies and other resource materials may not be considered as legal advice and are not intended as a substitute for the advice of a board's own legal counsel.
