

DISCIPLINARY PROCEDURE

The foundation of any disciplinary system for maintaining a good and safe transportation program is that it is a privilege to ride a bus not a right.

The primary responsibility for discipline on school buses is charged to the drivers. Extenuating circumstances require the involvement of the Principal who will work closely with the bus driver to enlist parent support in encouraging good behavior on the part of the child.

Inappropriate behavior may result in loss of the bus privilege for a period of time to be determined by the Principal. Fighting, vandalism, harassment, and/or abusive language will result in an automatic suspension from bus travel. This suspension will be set by the Principal who will be guided by the frequency of incidents.
