

STAFF DRESS CODE

Teaching is a profession that requires standards which set examples for citizens and students alike. With the realization that most professional staff members do set standards of high quality, the following policy is enacted to provide guidance in the area of professional appearance.

1. All teaching personnel shall at all times exhibit personal cleanliness, neatness and good grooming;
2. A professional image shall be maintained through the wearing of appropriate clothing avoiding that which is inappropriate; and
3. Teachers are daily role models for our children.
