

## **SCHOOL CALENDAR**

The school calendar shall provide for the legal requirements of at least 175 pupil days, 5 teacher workshops and extra days to allow for storms, emergencies or hazardous travel conditions. If school is canceled for more than the days allowed, then those days will be made up. School will close after completing the legal requirements of 175 pupil and 5 workshop days. Teachers will fulfill their professional requirements before the close of the school year except in cases of extreme emergency.

The school calendar shall meet state requirements in aligning with the school calendar of the Mid-Coast School of Technology, Islesboro's affiliated career and technical education center.
